Dietro ad ogni prodotto,
la nostra storia.
Our story is behind each product.

Ci occupiamo da oltre mezzo secolo di un oggetto quotidiano usato in tutto il mondo, mai banale: la sedia.

La nostra azienda è stata creata nel 1959 da Silvano Montina che ha da subito imposto i principi che rappresentano tuttora l'impronta della nostra attività: qualità dei materiali, cura del prodotto in ogni dettaglio ed attenzione alle esigenze del cliente. Siamo cresciuti con il passare degli anni con i nostri prodotti, le persone e una storia familiare straordinaria. È proprio grazie alla continuità generazionale che siamo riusciti, a partire dagli anni '90, a proporre le nostre collezioni al mercato nazionale ed internazionale consolidando la reputazione della nostra marca.

Le nostre creazioni parlano di funzionalità, ma anche di design, di comfort ma anche di resistenza a severi test per soddisfare i nostri clienti nel settore contract e residenziale.

Ogni anno con l'introduzione di nuovi modelli vogliamo confermare un'evoluzione continua, che ha radici nel passato, si afferma nel presente ed è proiettata al futuro. Sposando tecnica ed estetica, contribuiamo a rendere più belle, razionali ed accoglienti le aree dell'abitare, dell'ospitalità e dei luoghi di lavoro.

Proponiamo la nostra anima italiana esportandola con successo in tutto mondo ed esclusivamente 100% Made in Italy.

For over half a century we have been handling a daily object used the world over, above all never banal: the chair.

Our company was set up in 1959 by Silvano Montina who at once left his mark by imposing the principles still representing our activity: quality of materials, care for both the product in all its details, and customers' requirements. As years unfolded we grew - with our products, people and no ordinary a family story. It is just thanks to our generational continuity that we managed - starting in the '90s - to propose our collections to the market, both domestic and international, while consolidating our brand name's reputation.

Our creations exude functionality, as well as design, comfort - but even endurance, during severe tests, aimed at meeting our customers' requirements in the contract and residential sectors.

Every year, as we adopt new models, we wish to confirm a continuous evolution, rooted in the past, which makes itself known in the present, and is projected into the future. By combining technique and aesthetics, we contribute to making the areas where we spend our lives, those of hospitality and the workplace, more beautiful, rational and welcoming.

We put forth our Italian soul - exclusively 100% Italian-made - by exporting it successfully the world over.

Per un futuro sostenibile.
For a sustainable future.

Il legno è la nostra materia, da esso partiamo ed esso ci ispira. La prima scelta che compiamo è la selezione della materia prima che modelliamo. La prima fase di un percorso fatto di conoscenza, passione e rispetto della natura. Il legno che utilizziamo proviene solo da un processo di deforestazione controllata. Ogni fase di lavorazione avviene solo sotto alti standard qualitativi con sentita attenzione alla tutela dell'ambiente in cui viviamo cercando di minimizzare l'impatto del prodotto durante tutto il suo ciclo di vita.

Wood is our material, that's where we start out from and what inspires us. The first choice made at Montbel is to select the raw material we are going to fashion. That is the first stage of a route made up of knowledge, passion and respect for nature. The wood we employ only comes from a controlled deforestation scheme. Every processing phase takes place solely under banner of top quality standards, with heartfelt care for the protection of the environment we live in, as we try and minimise product impact during its entire life cycle.

Al centro del design l'uomo.
At the centre of our design is man.

La tradizione e la cultura artigianale sono la nostra arte. Mettiamo l'uomo al centro di ogni progetto, dalla ricerca alla realizzazione. Il design sviluppa prodotti pensati con un'ottica all'estetica e all'usabilità, perché tutto interagisce per garantire un benessere totale.

La mano dell'uomo trasforma la materia in prodotto, realizzato a regola d'arte con un ciclo di lavorazione totalmente interno conservando un esclusivo percorso di qualità.

Tradition and artisanal culture are our art.

We place man at the very centre of each project of ours, from research to product completion. Our design develops items devised with an aesthetics-and-usability-oriented approach, since everything interacts to guarantee total wellbeing. Man's hand turns our material into product, made according to the rules of the art, with a wholly in-house processing cycle, preserving an exclusive quality path.

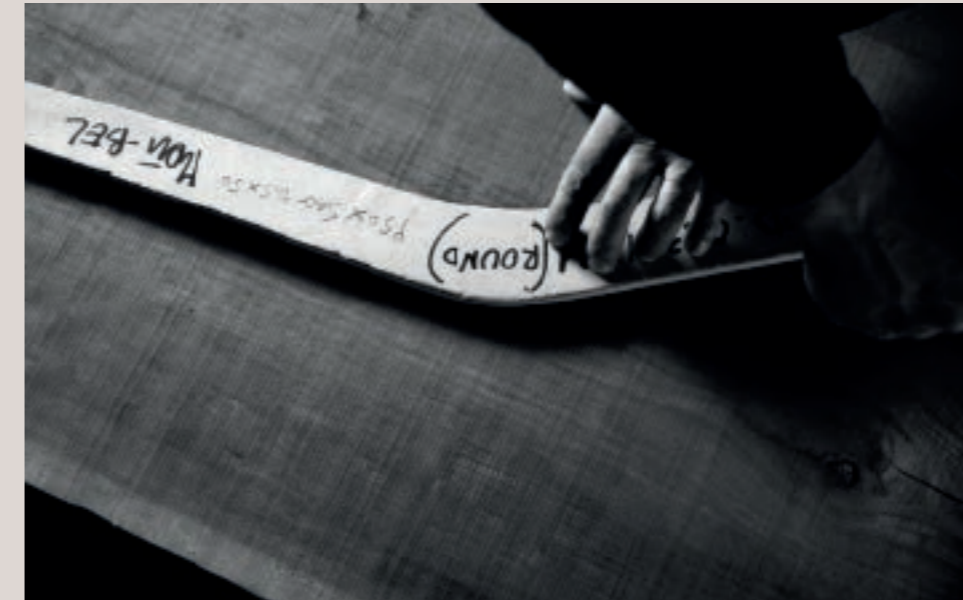

Dettagli cuciti su misura.
Details sewn to measure.

Il ciclo interno di confezione veste le strutture come abiti su misura. Il processo sartoriale ci contraddistingue per la cura del dettaglio e la scelta dei materiali, tessuti, pelli ed ecopelli. La cultura di progetto diventa una filosofia di prodotto "pret a porter", fatta di manualità, esperienza e sensorialità.

Our internal manufacturing cycle dresses our structures, as if they were tailored clothing made to fit perfectly. A tailor's method actually distinguishes us, due to both our care for details and how we choose materials, fabrics, leather, & ecoleathers. Our project culture becomes a ready-to-wear product philosophy, featuring manual labour, experience and sensoriality.

La nostra firma di qualità.
Our quality signature.

L'arte e la tradizione innescano un dialogo continuo che conduce sempre all'eccellenza del Made in Italy. La qualità è ciò che ci caratterizza. Ogni fase di sviluppo del prodotto, partendo dal progetto, alla selezione delle materie fino alla fase finale di confezione, segue le più importanti norme internazionali di controllo qualità. Tutto il processo di lavorazione è gestito internamente da un network di professioni con un processo produttivo unico, garante del vero Made in Italy.

Art and tradition trigger a non-stop dialogue always leading to the perfection of Italian-Made articles. Quality is the trait that characterises us. Every product development stage - from the project, to the selection of our materials up to the final, completion stage - follows the most important, international quality control norms. The entire processing system is handled internally by a network of professions, with a unique production system, guaranteeing the true Italian-made product ("Made in Italy").

Il teorema del colore.

The theorem of colour.

La matericità di un tessuto, i volumi delle strutture si vestono di colori e sfumature interpretando linguaggi estetici personali. Gli abbinamenti dei materiali, le aniline colorate e le laccature trasferiscono una libertà compositiva ed uno stile unico e riconoscibile. Montbel racconta con le sue collezioni mondi e stili eterogenei, confermando la sua maestria all'interno nel mondo del contract internazionale.

The intimate nature of a fabric, the volumes of our structures, don colours and shades, interpreting personal, aesthetic languages. The matchings of the materials, the coloured anilines, our lacquers too, convey a compositional freedom and a unique, recognizable style. Through its collections, Montbel narrates heterogeneous macrocosms and styles, as it confirms its mastery within the world of the international contract market.

Montbel considera l'attenzione al cliente il primo valore aziendale da cui partire per la realizzazione di un prodotto di alta qualità, mantenendo un dialogo continuo tra le fasi di produzione e servizio di assistenza. Ogni prodotto Montbel è la sintesi di tecnologia, artigianalità e cura per il dettaglio, ma è il rapporto privilegiato tra azienda, cliente e progettista che conferma l'attitudine aziendale per il mondo del Contract.

Montbel deems customer care its foremost corporate asset, whence to start making a high quality product, while fostering non-stop exchanges between production and help-desk unit stages. Each Montbel item combines technology, handicraft and care for details, but what corroborates our corporate approach to the world of the Contract market is the privileged relationship bonding our firm, customers and designers.

Da diversi anni sosteniamo Ai.Bi., l'associazione amici dei bambini, doniamo le nostre sedute nella versione autografata dalle celebrity ospiti al Festival del Cinema di Venezia, in occasione della Mostra Internazionale d'Arte Cinematografica di Venezia. Le sedute vengono battute all'asta durante la cena di gala organizzata da Ai. Bi., Il Bello che fa bene. Obiettivo dell'evento oltre a sensibilizzare sul tema, è raccogliere fondi a sostegno della missione di Ai.Bi., che da oltre trent'anni lavora ogni giorno accanto ai bambini abbandonati ed in grave difficoltà familiare, per garantire loro il diritto ad essere figli. Questa è una collaborazione che inorgogliesce l'azienda, da sempre attenta al sociale.

For several years now, Ai.Bi., the children's friends association, has been supported by Montbel; our seating is donated in its version autographed by the celebrities who are guests at Venice's Film Festival, on the occasion of Venice's International Cinematography Art Show. The seating gets auctioned off during a gala dinner, arranged by "Il Bello che fa bene" (=the Beautiful that does well). Besides increasing awareness on the theme, the event's objective is to raise funds supporting the mission at Ai.Bi.'s, who, day in day out, for over thirty years, have been working alongside children, abandoned and with serious family difficulties, in order to ensure them the right to be real sons and daughters. Such a collaboration makes us proud as a company, having always carefully followed social initiatives and issues.

Le nostre collezioni interpretano progetti in tutto il mondo. L'esperienza accumulata nel corso dei decenni con progetti nazionali ed internazionali ha reso Montbel una realtà riconosciuta nel mondo del Contract. Il prodotto si evolve in infiniti confini applicativi, con linguaggi internazionali e personali, rappresentando l'Italian Design in tutto il mondo.

Our collections interpret projects from all over the world. The experience thus accumulated over decades, with national and international projects, has made Montbel - a reality acknowledged throughout the world of Contract. Our product evolves within unending applicative borderlines, expressing itself in international and personal languages, representing Italian Design globally.

Un profilo avvolgente, dalle linee morbide, caratterizza il disegno della scocca in poliuretano espanso. La scocca ignifuga ed indeformabile e il sedile cinghiato contribuiscono a rendere la seduta particolarmente confortevole. La famiglia declinata in due versioni, con struttura in legno e in metallo, e con diverse varianti di tappezzeria, si amplia ulteriormente con divanetto, maxi poltrona e pouf.

An enveloping profile, with soft lines, characterises the drawing of the backrest retaining plate, covered with polyurethane foam. The fireproof, nondeformable backrest retaining plate, and the seat with its supporting webbing straps, contribute to making sitting on it particularly comfortable. The family - offered in two versions, with structure in wood and in metal, and several upholstery variants - is now further enlarged, as it includes a small sofa, or couch, an extra-large armchair and a pouf.
